

Sharing practice in the delivery of the Gatsby Benchmarks

11th June 2019 at London South Bank University

Following on from the success of last years conference we will be looking at practice one year on.

Who is the day aimed at?

Careers Leaders, SLT, and Teachers with an interest in careers/ enterprise/ employer engagement, Governors, Enterprise Advisors and Employers. **The aim of the day is to share practice and to provide practical support for schools in developing an action plan to meet the Gatsby Benchmarks.**

How is the day structured?

The day is made up of a series of 30-minute workshops, with over 20 to choose from over the day. Through out the day aspects of Gatsby Benchmarks will be discussed and practice shared. You can select the sessions of most relevance to you.

There will be a support pack available to delegates, including pre and post conference activities to support your development strategy

Who are running the workshops?

Workshops will be delivered by schools and organisations that can support development and are on the ground delivering.

Support workshops already signed up include:

A range of schools and their Career Leaders, highlighting aspects of practice across the benchmarks.

An update from Ofsted, including a Q/A session.

Amazing Apprenticeships, Archway Careers, Grofar, MyKindaFuture, National Careers Week, The Edge Foundation, The Education & Employers Taskforce.

Networking

Time is built into the day for colleagues to have informal discussions and form partnerships. We see this as important part of the event.
